

CONDITIONS OF USE

SPORTS INSTALLATION WIEGAND - SUMMER TOBOGGAN RUN

1. You, the rider, use this sports installation at your own reliability, your own risk, in suitable clothing and **not under the influence of alcohol or drugs.**
2. You must control your speed so as not to endanger yourself or others. Keep at least **25 m** behind the sled in front. Tailgating is prohibited. In any rear-end collision the rider of the rear sled is liable for all consequences.
3. If the toboggan is icy or wet, it will be shut down.
4. Stop tobogganing if it starts to rain.
Exception: Cautious use of the toboggan in wet conditions is only permitted if permission is granted by the staff. A safety distance of **50 m** must be kept.
Important: In wet weather, braking distances are longer and toboggans may skid. Please take care.
5. Reckless driving can lead to serious injuries. Always brake in time, then rise at walking speed on the conveyor belt at end of track. Especially at the end of the track pay utmost attention and caution!
6. Face the direction of travel at all times – never turn round, lie down, or knee. Observe all traffic signs and concentrate on the next section of the track (at least 25 m).
7. The starting instructions of the staff and starting intervals specified must be followed. Do not ride too slowly and stop only in case of emergency.
8. The use of this installation is allowed using the provided sleds.
9. Children under the age of **3 years** may not use this installation.
10. Up to the age of **8 years** children may ride in two-seater sleds together with an older person (**older than 8 years**) who has been made familiar with the installation and to whom full responsibility has been transferred by the supervising personnel.
11. The taller person always sits in the rear seat and must keep both hands on the brake levers, never touch the track or under the sled! The rear person is responsible for the safety and needs to be able and willing to apply the brake at all times. Who sits in front - never touch the track or under the sled!
12. You must follow the instructions of the staff. If anyone does not observe these conditions will be excluded from the installation immediately.
13. Accidents must be reported to the operating personnel immediately.
14. Entering the facility is allowed only at designated entrances. The user may only start and finish the ride at the specific points.
15. People who improperly can take place on the sled or improperly use it for example due to physical or mental limitations, are excluded from the trip for security reasons. If necessary, use in accompanying professionals or a trusted third party is possible, which will take over the responsibility for the user.
16. Pregnant women may not ride due to the existing mode of operation.
17. The total weight of the passengers must not exceed **150 kg** per sled. The staff is responsible for compliance and has the duty to check for overloading and to point it out. The instructions must be followed.
18. Animals as well as umbrellas, sticks and other bulky, lace or loose items are not allowed to use in the sled. Do not bring loose clothing (caps, scarves, shoelaces, etc.) as well as long hair in the proximity of the track or the sled wheels.
19. Smoking and the use of cell phones, cameras, etc. is prohibited during the entire trip. The passenger is liable for any damage or loss caused by electronic devices.
20. It is forbidden
 - to damage the facilities, the equipments and the sleds
 - to create obstacles, to put the system into operation without authorization,
 - to operate the facilities serving the operation or the prevention of accidents or to carry out other acts of that.

21. With the payment or the purchase of a ticket you accept these conditions irrevocably.
All claims for compensation are excluded.
